Here is the language we use for VASH Program in our Admin Plan.

PART IX. VETERANS AFFAIRS SUPPORTIVE HOUSING (VASH)

15-IX.A. OVERVIEW

The HUD-Veterans Affairs Supportive Housing (HUD-VASH) program combines Housing Choice Voucher (HCV) rental assistance for homeless Veterans with case management and clinical services provided by the Department of Veterans Affairs (VA). VA provides these services for participating Veterans at VA medical centers (VAMCs) and community-based outreach clinics.

TCHAO Policy

TCHAO is committed to follow all applicable program rules and regulations as established by HUD and other applicable federal statutes in the administration and implementation of these program vouchers, particularly, but not limited to those published in the March 23, 2012, Federal Register, pp. 17086-19090 entitled Section 8 Housing Choice Vouchers: Revised Implementation of the HUD-VA Supportive Housing Program.

Veterans Affairs Supportive Housing (VASH)

Veterans who are receiving case management from the VA are referred to TCHAO by Veterans Affairs.

The VASH program is operated the same as the Housing Choice Voucher program except that:

1. To remain eligible the vet must be receiving case management from the VA or have been determined by the VA to no longer need case management services.
2. VASH vouchers may only port to another jurisdiction where they will still receive case management.
3. Because the vet is currently receiving a voucher if they are no longer in need of case management, they may transfer to a Housing Choice Voucher without being on the waiting list.
