

9/09

Do you make your utility allowance schedule available to anyone who requests it?

Responded that they make it available to anyone who requests it – 32

Responded that they do not make it available to everyone – depends who requests – 3

Responded that no one has ever asked for it – 2

Other responses:

Flatonia – TDHCA requests utility allowance information every year or so and I make those available. Private development companies should fill out an Open Records Request
