Billy Tallant, Fort Worth area, works through Ceiling and Floor Restoration, Fairfax, VA. His number is 205-242-1959. We did full ceramic tile on floors, walls, shower and windows in the shower(bad original idea). Billy even tiled around the mirror with a border. It looks great. Make ready is a breeze. (Gladewater)

We have used Bath Fitter for our elderly complex. The bathrooms look great even though we had issues with the person who was in charge of the job. Bath Fitter stood by their work and we are pleased with the outcome. (Baytown)
