We take payments in the form of, checks, money orders and debit cards. (Crockett)

We offer auto draft (not utilized very much) and just recently started accepting debit/credit cards on line only. They cannot come in and pay with a credit card. We did this because we bear a lot more liability and there is more extensive training required if you actually handle the card. So far it seems to be going well. Lindsey has the ability to handle this within their software and it automatically posts to the resident's account. We do charge a fee to offset the fees we are charged by the credit card company for processing the payments. (Temple/Belton)

The Corsicana Housing Authority accepts payments by credit/debit card as well as we offer bank draft as a method of payment. We accept cash on a very limited basis. Obviously, money orders and checks are also accepted. Credit and Debit card payments must be in person because we must swipe the card for each transaction.
