Do you have Carbon Monoxide Detectors in your units? If so, where did you get them?

Five PHAs just responded yes, from HD Supply

Other comments:

\*\*\*\*\*

Use combo smoke and carbon monoxide detectors from HD Supply.

\*\*\*\*\*

Yes, HD Supply combo unit

\*\*\*\*\*

We have hardwire detectors. We purchase them from Home Depot.

\*\*\*\*\*

We did have the hardwired USI smoke/CO detectors. We had so much trouble with them, that we had to remove them. We now use Kidde battery operated CO detectors Model KN-COB-LP2

\*\*\*\*\*

Yes. Were getting them from Marine Technologies, but now at HD supply.

\*\*\*\*\*

Yes we do and we purchase them from Economy and HD Supply.

\*\*\*\*\*

Yes, we have 1 Carbon Monoxide Detector in the unit and we purchased them at Home Depot. It is the new kind where the battery last for 10 years and it is the combination kind with a Smoke Detector.

\*\*\*\*\*

yes, but only in the units that have the older gas wall heaters. We purchased them through HD Supply.

\*\*\*\*\*

Yes. We installed combo smoke/carbon monoxide detectors in the living room of all units this year. The have regular smoke detectors in the bedrooms. Home Depot

\*\*\*\*\*

Yes, we use a combined smoke alarm + CO2 detector with a 10 yr battery made by Kidde. We order them from HD Supply

\*\*\*\*\*

We buy the smoke alarm/carbon monoxide detector combo's from HD Supply.

\*\*\*\*\*

We have them; purchased too many years ago and I can't remember from whom

\*\*\*\*\*

Yes. Lowes

\*\*\*\*\*

Yes in every unit. We contacted HD Supply in 2012 and got a quote from them, then called Lowes and told them what HD Supply was going to charge us for them and got them cheaper from Lowes.
