

The Fair Housing Equal Opportunity for All brochure is available in the office. The contents and my rights covered in this brochure have been explained to me by Housing Authority Staff.

The Fair Housing Act prohibits discrimination in housing on the basis of:

race or color, national origin, religion, sex, familial status or handicap. The Act covers the housing authority programs. A reasonable accommodation may be requested if the qualifying criteria are met.

Discrimination complaints may be called in to HUD at (888)560-8913 or filed online at

http://portal.hud.gov/hudportal/HUD?src=/topics/housing_discrimination.
