Dental, Yes 100% Vision, Yes 100% Health, Yes 97% to 100%

We have capped the health insurance and went with a Consumer Plan with TML. The employee will choose the coverage that best fits their need. If the premium is higher than the cap, the employee will pay the difference. If the premium is less than the cap, the difference will go into an HSA or HRA account for the employee to use for medical expenses. (Midland County)

United Health care. Dental Vision, Prescription. NBHA pays it all for the employee only. (New Braunfels)

NHA pays completely for employees health, dental and vision at this time. If employee wants to add spouse or children employee pays for that portion. (Nocona)

We used to, but as our full time covered employees discontinued employment, we did not provide it to new employees, none of which are full time. We just could not afford it. We are in the process of trying to get the board to approve at least a nominal contribution to a health savings plan for each employee, like maybe \$100 per month each. (Overton)

Are you providing health insurance for your employees? **Yes** dental? **100%** vision **100%**? What percentage does the PHA pay, if any? (Pecos)

Yes. General health through BC/BS. Pay 100%. (Pineland)

The PHA does provide health insurance for full time employees only. The PHA pays 50% for the first year, then 100% after they complete their first year of employment. (Poteet)

Medical and dental employee only with tier selection. 100% at some levels and Health Savings Account contribution if high deductible selection. They may choose a low deductible and more benefits but would need to contribute some depending on the tier chosen. (Nacogdoches)

Yes @ 100% until October. October 1st, TML raised our premiums 127%. Employees will be paying \$65 per pay period (Paris)

100% employee only \$1000.00 deductible (San Marcos)

Our insurance is With Blue Cross. It includes Dental Insurance. At this time we pay 100% of the insurance. I am hoping that Washington will make changes that they promised the American people. The price has made a dramatic increase over the years and I'm not sure we will be able to pay 100% if something doesn't change. I am currently looking at other options. (San Saba)

Yes-we pay 100% for the employee-health & dental not vision; the employee pays 100% for his dependents. Also, pay for an employee life insurance policy. (Schertz)

Schulenburg pay for all of the medical insurance only
