Speaker:

Mark Mayfield, Professional Speaker and
Corporate Comedian

"Mark is one of the rare individuals who performs stand-up comedy AND conducts high content seminars; he excites, he educates, and he always entertains. He has received rave reviews sharing the stage with a variety of celebrities like Paul Newman, Peter Frampton, Colin Powell and Bob Newhart, and has introduced the President of the United States on a live, nationwide television broadcast. He is also a professional model and spokesman seen in print and television commercials."
